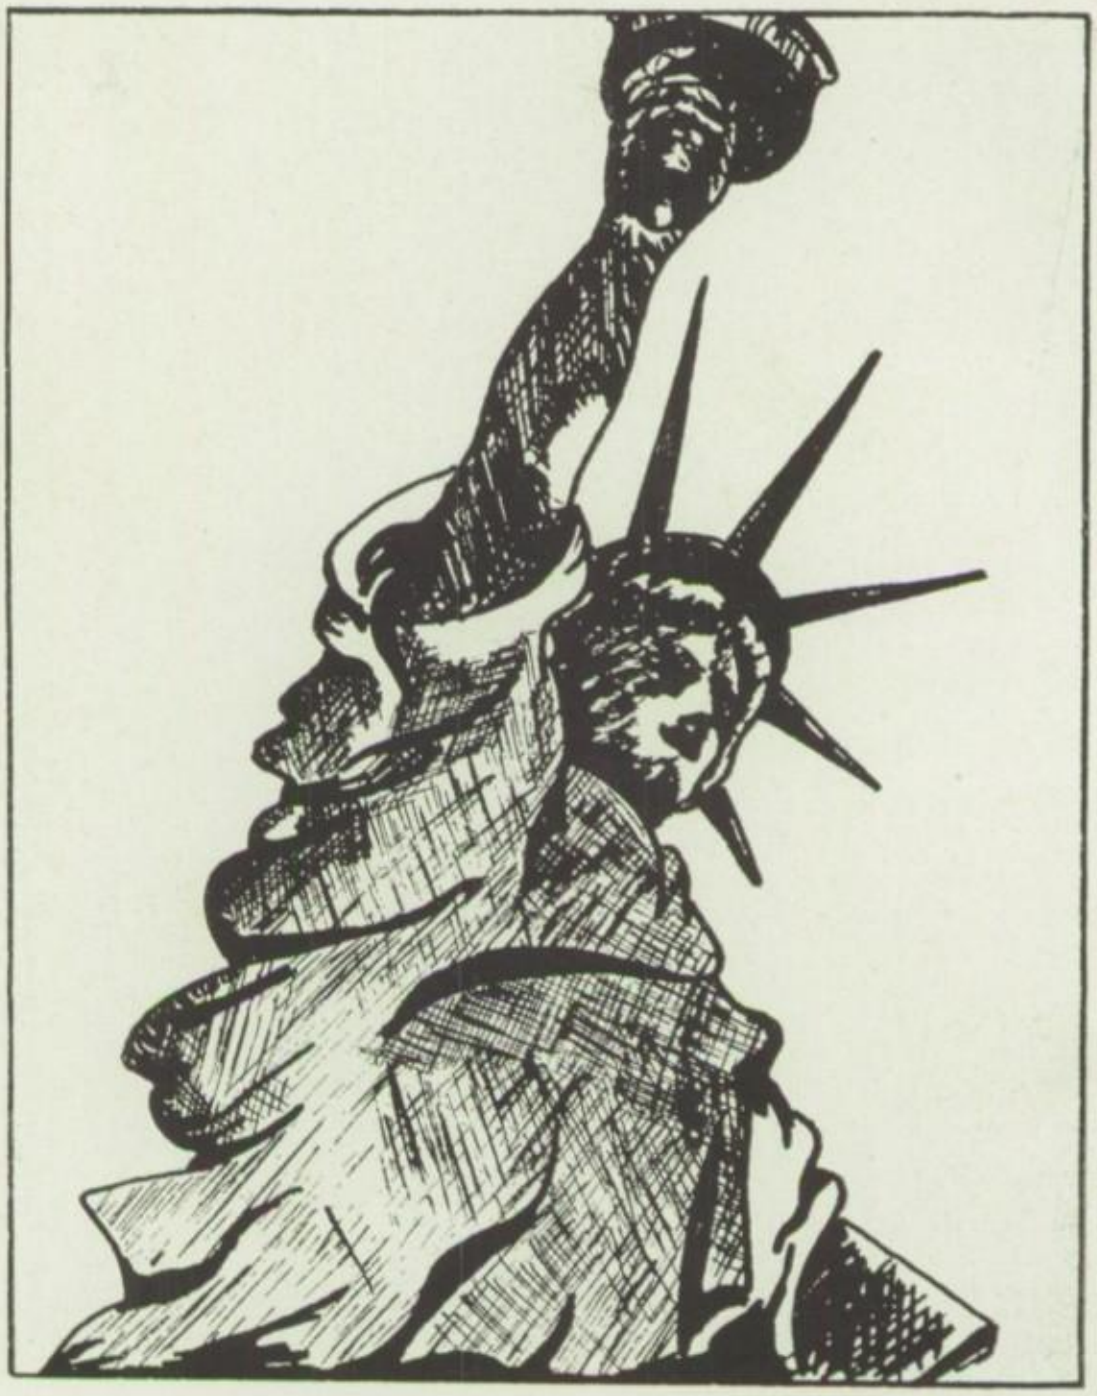
Foreword . . .

The 1942 Paean strives to show the transformation which the morning of December 7, 1941, brought in our lives. From purely individualistic interests we turned to the common cause, helping as best we could. May this account preserve the memory of this period, the unknown effects of which mean so much to us and to all who follow us.



Dedication . . .

THE 1942 Paean is dedicated to those of our class and faculty who are now, or who soon will take their place among Americans actively engaged in the battle to determine the future of our way of life. Whether in the armed forces or in those essential non-combatant duties which have assumed added significance in modern warfare, they serve—keeping alive the flame of humanity.

EARL J. WELSH deceased

TO Mr. Welsh, who has stimulated us to do our best by his sincere interest in us as individuals, his sympathy and understanding in dealing with our problems, and his care in planning our preparation in life. During our years at Central, Mr. Welsh has won our admiration and sincere respect for his spirit of cooperation, his open frankness, and his sense of fair play.

However, Mr. Welsh has given us more than his wise counsel. In him we have a friend whose qualities of strength and honesty inspire us, and to whom we shall always feel free to turn, knowing that his greatest interest is in our welfare.

We are sorry that Central will not have the benefit of his leadership next year, but we know that, even in such trying times as these, those qualities so much admired by us will see him through to any goal which he may set for himself.

GEORGE G. PRICE

deceased

BOTH present students and graduated students greatly appreciate the work of Mr. Price, who has headed our Vocational School for so many years. He has been instrumental in raising the Vocational School to its present high position in the country; the worth of his direction is evidenced by the remarkable records made by Vocational School graduates.

An unexcelled counselor and a stimulating influence in school activities, Mr. Price's loss will be deeply felt, yet we can do nothing but wish him continued successes in the future.

LEO M. SHAW

Our Assistant Principal, Mr. Shaw, has won a great many friends during his two years at Central. Always ready with helpful advice, and continually, it seems, aiding the promotion of worthwhile student activities, he has become an indispensable part of Central.

deceased

RUTH PENTY

In her work as Director of Guidance, Miss Penty has helped many students with their problems, giving sympathetic and helpful counsel in a spirit which evidences her genuine interest in young people.

Dancing to George King's jive . . . "Have a coke, Miss Burke?"
Paper-bringers watch movie . . . Weighing in . . . Card Game at Victory Party

BATTLE CREEK CENTRAL AIDS

By CARLENE BAGNALL

"Vanilla coke . . . can't stand 'em" . . . "date Friday night?" . . . "have to cram for Civics test" . . . "good football player . . . swell dancer" . . . "best movie in town" . . .

THOSE were the snatches of conversation we used to hear as we walked down Central's corridors. Remember? Our biggest problems, then, were whether to order a cherry or a vanilla coke . . . whether to go out Friday night or stay home and study. But, that was a long time ago. That was before Sunday afternoon, December 7, 1941. When we returned to school Monday after that never-to-be-forgotten week-end, we returned as a much more sober, serious-minded group of students. For the first time in our lives we knew what WAR meant. We began to look around us . . . to see what we could do to help. We realized that fellows we knew were being killed, that fellows in our own school would someday be called on to fight. We realized that we'd soon be watching dads, brothers, and school pals march off to war. We wanted to help . . .

"Heard something about a paper sale" . . . "student council voted today on it" . . . "paper drives . . . kid stuff!" . . . "No, sir . . . it's a swell way to help" . . . "He brought a thousand pounds already" . . . "old magazines in our attic" . . . "get out my little red wagon and bring some" . . . "give you a defense stamp for ten pounds"

Red Cross Club helps local chapter . . . Artificial Respiration

OUR COUNTRY'S WAR EFFORT

That's what we started to hear in the halls, in the drug stores, in the Ritzee, and wherever Central students talked. Paper came in by cars, wagons, bikes, or armloads. The paper stacks in the halls near the weighing-in stations in Vocational grew higher, and higher, and higher. We turned over eighty-five tons of paper to a local carton company and with the money it brought we bought five one-hundred-dollar war bonds for the school. Many students proudly displayed books filled with ten and twenty-five cent war stamps which they received by bringing paper. The climax for the paper drive came April 12, with a triumphant Victory party at the Kellogg Social Hall. Fifty pounds of paper secured a ticket to dancing, games, cards, a four-bell movie and refreshments.

"No can't go . . . stay home and study for First Aid exam tomorrow" . . . "Treat for shock" . . . "had artificial respiration yet?" . . . "Red Cross meeting tonight" . . . "apply tourniquet" . . . "Knit two, pearl two" . . . "wrap bandage" . . .

Red Cross and First Aid clubs and classes sprang up like mushrooms. Girls in the Red Cross Club helped our local Red Cross by knitting, sewing and doing secretarial work. Congratulations are in order to them for the fine job they did in helping with the housing survey of Battle Creek.

"Have you bought any war bonds yet?" . . . "Dad's giving her birthday present in stamps and bonds" . . . "can buy them every Monday in your study hall" . . .

The sale of war bonds and stamps zoomed. Throughout the year, B-9 led the race for selling the most stamps and bonds. Central students bought $7,714.55 worth of U. S. War Bonds and Stamps.

It was soon felt that the school's part in defense was important enough to warrant a Defense Council to tie together the various war activities and keep students informed as to how they could help. This Defense Council was composed of ten teachers, thirteen students, and two parents. It brought together all the school's defense activities and united them into a common cause—to help Battle Creek Central aid our country's war effort.

"Cleaned out attic last night . . . found twelve slick books" . . . "soldiers don't read the 'Sue Barton' series . . . don't be sil" . . . "Well, I liked 'em" . . . "wonder if they'd take my Latin book?" . . .

The Daughters of Liberty sponsored a Victory book campaign for soldiers at Fort Custer. Attics, basements, garages and bookcases were raided for books.

Jack and Leigh study plane types . . . "Now this propeller should—" . . . Mrs. VanDeusen explains field tact to future flyers . . . Students are trained for war industry

"Pursuit planes" . . . "dive bombers" . . . "What's field tact?" . . . "Lockheed interceptors" . . . "If a plane travels at 250 miles per hour-altitude" . . . "fuselage" . . . "wings" . . . "prop" . . . "tracer bullets" . . . "parachutes" . . .

Like America, Central boys started to look toward the sky. Flying came to its own. Largely through the efforts of Mrs. VanDeusen, a "keep 'em flying" course was introduced into Central's curriculum at the beginning of the second semester. In this class twenty-three boys were able to take specialized training in mathematics, current events and vocabulary study, in preparation for taking their Aviation Cadet examinations. Mrs. VanDeusen instructed the class of future flyers. In instituting this course in February, 1942, Central proved that it was about six months ahead of similar schools in aiding 18-year-olds to become Aviation Cadets. Other schools followed Central's first step in providing a flying course for high school students.

Another group with its eyes toward the sky was the Model Airplane Club. When the government called for boys all over the United States to build thousands of model planes to be used in instructing pilots and civilian defense plane spotters and for target practice, Central boys responded heartily by making one hundred and fifty small planes of different kinds.

"No sun-tan for me this summer; I'm going to make airplane valves" . . . "they need so many nurses, I'm going into training right away" . . . "if I can pass the Air Corps exam" . . . "he's starting college this June . . . wants to get all he can" . . . "nurse's aide at Leila Hospital" . . . "navy has a good set-up for what I want" . . . "at least girls can grow Victory gardens this summer" . . . "plenty of jobs in war industries" . . .

Many students found that their plans for summer and for future years had been drastically changed. Many boys who had been planning on going to college found it necessary to leave for college as soon as they graduated in order to get as much education as possible before going into the armed forces. A number of fellows went directly into the Air Corps, the Marines, the Army, or the Navy. Some signed up to work in the city's vital war industries. Senior girls were influenced in their decisions by the war. Because of the great need of nurses and nurses' aides, both at home and at the battle fronts, many girls entered nurses' training immediately upon graduation. Others found secretarial and telephone operator jobs at Fort Custer, or became part of the army of workers in the War for Defense Materials. Some were able to enter former men's jobs made vacant by the war emergency.

"Good story about the U. S. O. last night, Kendrick" . . . "heard the kids on the radio giving United Fund talks" . . . "lot of work to those speeches, isn't there?" . . . "Keep the Home Fires Burning" . . . "Don't let either one down—the soldier or the kids at home" . . .

A group of twenty journalism and speech students gave a great deal of time and work to the United Fund Campaign during May. These students wrote stories about United Fund for the Enquirer and News and gave speeches at luncheon clubs, meetings, and theatres, and presented programs and speeches over WELL. This work helped America's defense as the Community Fund Agencies combined with the U. S. O. into the United Fund this year. The Junior Writers and Speakers Bureau helped put over this campaign to keep the home front strong by providing for social and character building agencies and the United Service Organization.

During the year Central had several practice air-raids and alerts. These were carried out with a great deal of efficiency and correctness. We practiced two types of raids—an immediate unforseen raid, when we had no time to do anything but take our places in the provided shelters on A and B floors, and an alert where the supposed planes were known to be approaching Battle Creek and there was enough time for students living within thirty minutes walking distance of school to walk home.

"Can't get the beater Saturday" . . . "we have to walk" . . . "think I'll fix things up on my bike—it's better than walking" . . . "everyone rides bikes; see Mr. Clark riding his to school every day" . . . "no more of that kind of paper . . . "Hey! Save that! It's valuable!" . . . "no cokes at that drug store" . . .

We learned to do without many things. Dads became more careful of how many times we got that car with its precious rubber tires and scarce gasoline. We started saving metals, saving sugar, and other vital materials. It was hard at first, but we knew that everything we did, saving on sugar or gas, riding bikes instead of driving cars, joining First Aid Classes, studying flying, bring books, metals and paper, building model airplanes, or buying war stamps and bonds, would help our country win World War II.

We wanted to help . . . and we did!

AS graduation comes again to Central, we, the class of 1942, realize more than the importance of our education. We look back on the adventures, pleasures, and hard trying times of the last three years and wish that we could repeat many of them.

We appreciate the help and inspiration which our faculty has given us. They have given us the background for our first step in life, and have encouraged us to accept responsibility in later life. This advice will always stay with us, and our success will be accredited to them.

Being the first class to graduate during the present conflict, many of our futures have been changed. Some of us will continue with further education while others will aid our country either in the armed forces or occupations which lead to victory.

Now that we have finished the fundamental stage of our lives, we undertake to make future graduating classes look upon us as an example to follow and not as an example to surpass.

As a result of maintaining outstanding scholastic records throughout their high school careers, fifty-seven seniors became members of the 1942 National Honor Society. Each year, a special committee of the faculty pronounces judgment on every graduating senior, and those who have ratings of 2.2 or better are selected to comprise the membership.

The National Honor Society is to high school what Phi Beta Kappa is to college; membership in the organization is the aim of every student.

Battle Creek High School has been a participant in the Society since 1925, when the society granted Battle Creek High its charter.

. . . Senior Play

Director and cast hold caucus . . . rehearse mad scenes . . . meals . . . MURDER . . . and make-up for the show.

THIS year's Senior Play, "Out of the Frying Pan." chosen for its swift movement and witty dialogue, afforded the audience of 1,500 people welcome relief from war tensions. The plot revolves around three young men and three young women who are sharing a New York apartment above that of a successful Broadway producer who is about to cast a road company. They rehearse his play, seeking to get him upstairs to see it. They do, but not until after uproarious complications, which however, finally are smoothed out in the happy ending.

Each player contributed to a well blended performance. Jean Robinson contributed a well conceived character as the landlady, and Robert Stewart's Mr. Colburn was mature. Dave Crippen and Joe Wells' comedy characterizations as the two policemen were excellent, while the parts of the six young people were played zestfully by Robert Crummel, Willene Jones, Phyllis Reeves, Jack Flynn, Jean Traut, and Don Cook. As Muriel, Anne Kendrick contributed a distinctive bit of acting, and Gus Jettner made the producer a believable character.

The setting, following that used on Broadway, was designed by Max Grant.

Treasurer B. Hamilton, President Don Berry, Vice President C. Shull, Secretary M. Kirkpatrick.

DURING this, our Junior year, the Class of '43 has been credited with maintaining a standing equalling that of the past years and we feel proud that this year has been so successful. Among the activities in which the class has engaged are the annual Junior play, "Running Wild," which was performed before more than 800 people, and the J-Hop, another annual event which was made possible by the splendid cooperation of the members of the class.

But the most outstanding activities of the year were those for defense; it is this class that has bought more than six thousand dollars worth of War Stamps and Bonds.

We owe thank-you's to both our able session room teacher, Mr. VanAndel, and our class adviser, Miss Canan. Without their guidance our year could not have been so successful.

In closing I also wish to thank all of the juniors in Battle Creek High for their splendid cooperation.

—Don Berry, Class President

Junior Play . . .

Rice frightens . . . as Kirkpatrick and Harris amuse . . .
amid the bedlam arising from . . . MURDER.

ON December 5th, 1,000 people enjoyed an evening of fun as the Class of '43 presented "Running Wild." The plot of the play takes place in the desert inn of Carl Hammond, played by Don Chapman. The romantic spots, done by Don Berry and Sally Phillips, were too often interrupted by Victor Bunn, little would-be G-Man portrayed by Duane Rice.

Martha Kirkpatrick as Venus Finch, spinster amateur botanist, and Bob Harris as Professor Cosmo Cheever, Harvard botanist, kept the house in howls.

Bedlam results when the characters decide to put on a murder play to impress the young film executive guest, played by John Palmer. Bob Harpsterr as Ed Smith, football star, and his girl friend, Daffy Hatch, played by Marilyn Holtom, somewhat complicate matters as do Sherry Lee and Louise Latour, young Hollywood hopefuls played by Marilyn Link and Anne Brainard.

Excellent performances were given Hensley Puyear as the sheriff, Peggy Sparks as the colored cook, Selma, and Ray McNinch as the Mexican houseboy. Charles Hampton directed.

DEAR UNCLE SAM:

We have heard your call, "Save! Buy! Give!" In response we have saved 43,600 pounds of paper; have invested $2,760 in war stamps and bonds, and have given $25.00 to the Red Cross and other worthy agencies.

Several members of our class have answered the Roll Call for Service. All First Aid classes and alert calls have received our undivided attention.

We have shared our over-crowded school with interesting personalities of various states who have come to live at Fort Custer.

Practicing patriotic economy, our annual class party was strictly without decorations made from materials vital to the war effort.

Unitedly we stand,

Personalties . . .

The Paean and the Key would have been minus some excellent work had not **Mary Ellen Dodd** been on the scene. She's a swell girl and a real worker.

As editor of this yearbook and a member of the Defense Council, **Bob Williams** has proved himself both a worker and a leader.

John Dodge has been a regular on the swimming team; he helped a great deal in pushing the team scores up.

A fast and efficient typist, **Barbara Bryant** greatly aided the Key and Paean in meeting deadlines.

The beautiful art work of the 1942 Paean is the result of **Barb Neal's** creativeness.

Elmer Sovern is one of the Sophomore representatives to Boy's State and is destined to follow in his brother's footsteps.

A very popular senior around Central, **Dave Crippen** was captain of this year's swimming team. Dave also did splendid work in sports writing for the Key.

One of the "social butterflies" of high school, **Martha Payne,** decorated for several dances, including the annual May Party.

Phyllis Terry was active in many High School clubs, and proved to be an excellent Cheer-up Secretary in C-13.

Bill Freeman has been very active in Student Council, and worked a great deal on the Community Fund Drive.

Indeed a gentleman and a scholar was **Mahlon Gore,** who participated in school activities and still was able to chalk up an All-A record.

Bette Burton's diving and swimming have brought her much fame and many honors.

As feature editor of the Paean, associate editor of the Key, and a member of the debate team, **Carlene Bagnall** demonstrated her ability.

Bob Gibbs, an athlete we'll all remember, did sports for your yearbook this year.

All your figures on announcement and name card orders were taken by **Bob Hooper,** who also worked on the visual education department's projection staff.

Sincerity and earnestness are qualities which made **Curtis Main** a popular and well-liked senior.

Aside from being very active on the Student Council, **Walt Edgerton** has also been a big help in both the football and basketball teams.

Carlton Coss has been a real athlete for Central—we know we'll see even more of him next year.

One of the best known and best liked juniors this year was **Mary Gibbs,** who represented Central at the 5-A Conference in Ann Arbor.

Lloyd Hartman was again re-elected President of the Boys' Athletic Association for next year. Everyone knows that he was worthy of it.

Senior Vice-President this year, and always on the job when there was work to be done, was **Dick Avery.**

One of our most accomplished "Key" reporters and winner of a national essay contest, **Edith Grant** was one of the outstanding seniors.

Donna Gene Hodges was one of the best-liked seniors and ably handled girls' sports for the Paean.

Le Roi Elliot was kept busy amassing languages and promoting the Bon Chance Players to entertain Fort Custer soldiers.

Chuck Shull, vice-president elect of the Student Council, will well be able to take over that work, as was shown by his fine job as Junior Vice-President.

His many contributions to assemblies and Student Council activities will be sorely missed when **Buck Huffman** graduates in June.

Outstanding in football, basketball and other major sports, **Charles Lett** was one of our best

Dagwood, as portrayed by **Bob Harris,** has become a standard fixture of any Band Follies. As Cheever in the Junior Play, he exhibited more of his dramatic talents.

Representing the Sophomore class on the school Defense Council, **Gilbert Childs** did his part in Centrals war effort.

It wos hard to even get this hurried shot of **Betty Bentley,** since she is so busy hopping around between five subjects and the Key editorship.

As president of the Player's Club and a participant in the Senior Play, **Phyllis Reeves** found plenty of opportunity to exercise dramatic talent.

Jim Tindall was a band-boy, and a member of the Soph Board of Control. We expect to see him do a lot next year.

Patricia Humiston will go down in history as a main contributor to the paper sale. She brought almost 4,000 pounds.

Jack Flynn did a more than creditable job in the Senior Play, as well as being a member of the Paean Players, that screwy publicity gang.

Maurice Katz is an oft-heard sound in the B. C. Band, and we like him without the horn.

Anne Kendrick's dramatic ability was clearly defined in "Out of the Frying Pan," Senior Play, in which she had a leading part.

A member of the Player's Club, **Margie Corlett's** interests lie down Hillsdale way.

Our sound equipment wouldn't have been run so often, nor would we have enjoyed so many organ preludes at Assemblies, without **Melvin Morehouse.**

Excellence in music and all A's in scholarship is the record achieved by **Dorothy Polk.**

Bud Brown has been elected to head next year's Student Council. Bud seems to have that faculty of compromising and making both sides think that they came out best. Best luck to you, Bud!

Don Berry capably filled the job of Junior President this year. He was an excellent lead in the Junior Play.

Planning school dances and baton twirling kept **Bettie O'Brien** active in high school functions.

As a tennis star, Student Council President, and Defense Council President, **Dick Wiles** showed himself to be a real leader and a swell fellow.

The school's opinion of **Jack Trump** was shown when the football fellows elected him to captain this year's team.

Bill Edwards, class president, scholarship winner and voted most popular in Senior Consensus —what more could anyone want?

Doris Livingston, a D. of L. board member, is known for her Student Council work and winning the Pan-American essay contest.

An orator and scholar, **Mary Louise Milner** will be one of the prominent seniors of next year.

Bill Bond's championship diving has helped win many victories for the Bearcat swimming team.

Cliff Beem proved himself to be not only a swell fellow, but an all-round athlete. We really enjoyed his work on the gridiron last fall.

One of Central's hardest workers for the cause of Art is **Emily Rich,** whose excellent work has been exhibited many times.

Winner of the annual D. A. R. award and an active member of the Daughters of Liberty, **Jean Traut** was a real "all round" student.

Very popular with the ladies, and a real man on the track team was **Charles Fritz.**

The Triple Triangle Club wouldn't have done nearly so well without the help of **Barbara Salisbury.**

Whether in the Band Follies as M. C. (Master of Ceremonies) or clowning in plays, **Don Cook** was there, providing entertainment.

John Halbert, pleasing of personality and a Key sports writer, was elected president of the Spanish Club for his senior year.

June McLaughlin's vocal solos added a pleasant note to the Band Follies. June also presided at Dance Club meetings.

Leolyn Palmiter's work on the Paean Board and on the Key Staff, contributed greatly to both publications.

We all enjoyed **Ray McNinch** at the Band Follies, and we have appreciated his vocal talents at assemblies.

Versatile **Bob Hamilton** was Treasurer of the Junior class and captain of the golf team.

Everyone liked **Joyce Halbert,** who really worked on the United Fund Campaign and other activities.

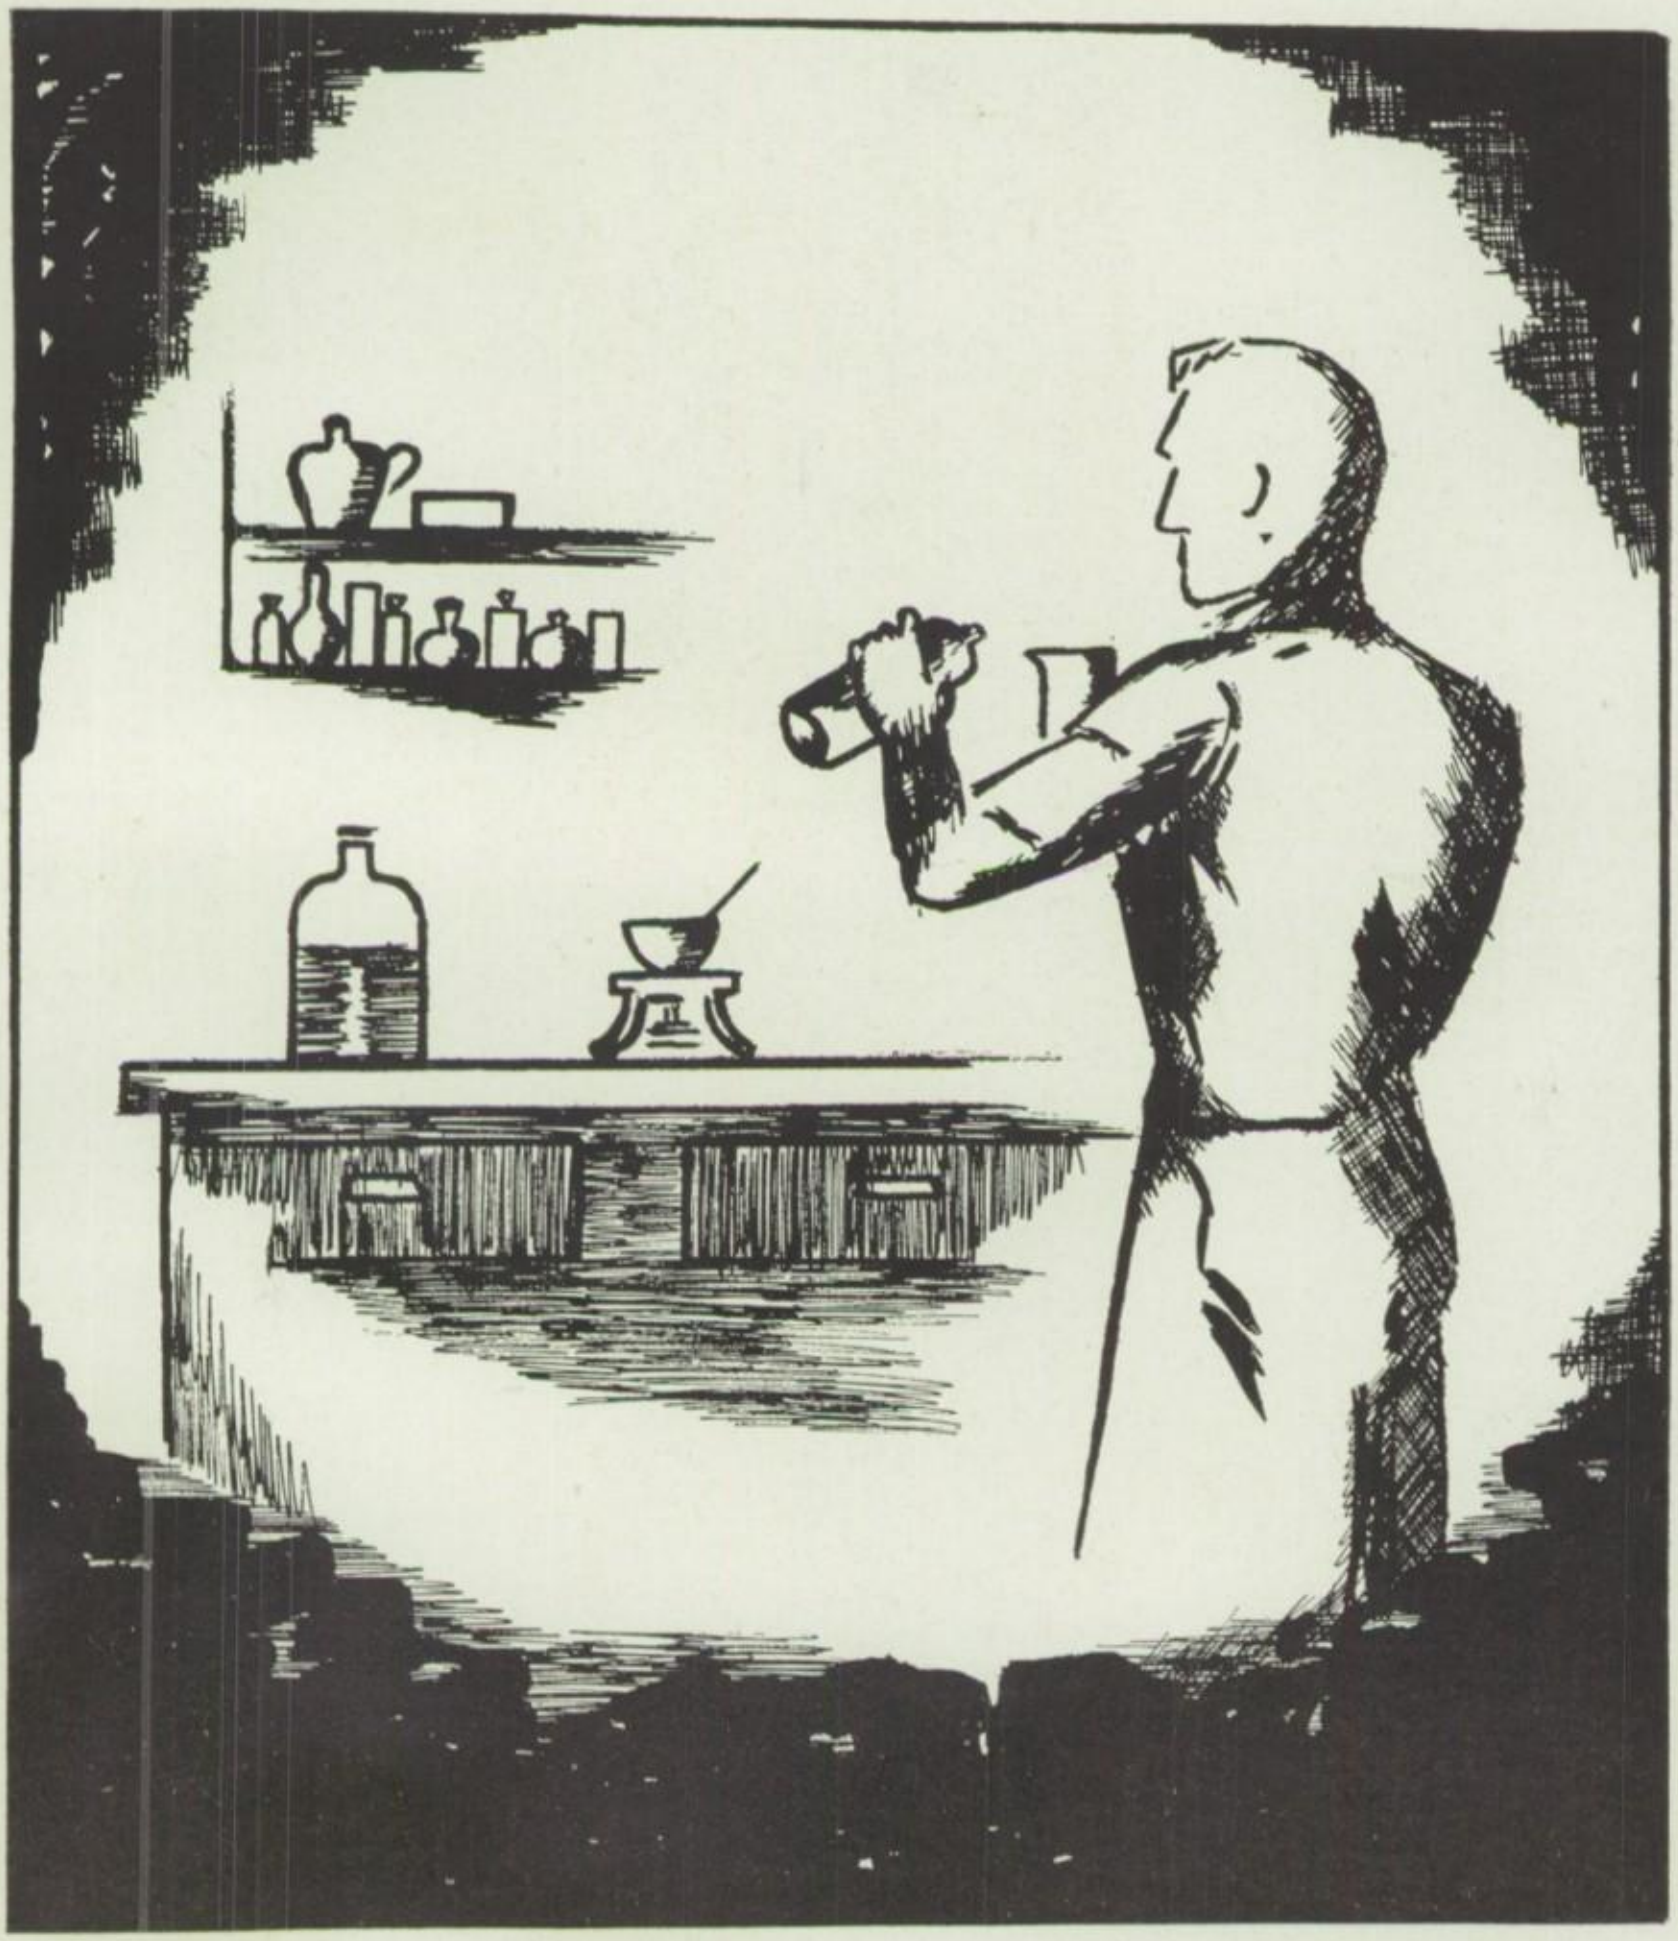
Eleanor Brewer headed D. of L. this year; her popularity was shown by her election as Homecoming Queen.

Business manager of the Paean and an outstanding debater, **Bob Crummel** was one of Central's busiest students.

Martha Kirkpatrick, Secretary of the Junior Class, is liked by everyone. She really had the house in howls at the Band Follies and Junior Play.

A cute member of the Sophomore Board of Control is **Martha Dale,** who also was in the Student Council.

Activities . . .



Student Council . . .

C. Braund, D. Wiles, J. Traut, W. Edgerton

THIS year's Student Council sponsored many new projects which were necessitated by the National Emergency. In addition, the Council cooperated, as usual, with school functions. During the fall, members boosted the sports program, instigating much of the school pep and enthusiasm. Student Council Dances were held throughout the year. One of the dances was the annual semi-formal dance in December.

Careful and thorough planning by the Council brought forth the Vocational Day in January, in which Battle Creek business and professional men and women spoke to the students about their respective prospective occupations.

In the patriotic spirit, the Council sponsored the "Paper Defense Drive." Individual prizes were awarded, and a big Defense Paper Party was given for all who had brought fifty or more pounds of paper. When the sale closed on May 1st, the goal had been reached—the purchase of five U. S. War Bonds.

Officers of this year's Council were: Dick Wiles, President; Walt Edgerton, Vice President; Carolyn Braund, Secretary; and Jean Traut, Treasurer.

FIRST ROW: Miss Penty, adviser; J. Traut, E. Brewer, E. Grant, B. O'Brien, Mrs. Stevenson, adviser.

EVERY girl belongs to the Daughters of Liberty—truly a serviceable and patriotic organization. This year the girls have aided the book collection for Fort Custer soldiers, purchased a $100 War Bond, and provided the school with two stretchers. The club also strengthened their Red Cross Club, and organized a First Aid Club.

From the proceeds of the Christmas Tag sale in December, they bought stockings and donated to the Christmas baskets.

The Club provided entertainment at the Fall Frolic and May Party and entertained girl high school entrants in the fall at an informal tea.

Through the efforts of the club, every girl was able to hear Mrs. Evelyn Millis Duvall speak on "Boy and Girl Relations."

Officers of the Board heading the organization are: Eleanor Brewer, President; Bettie O'Brien, Vice President; Jean Traut, Secretary; and Edith Grant, Treasurer. Other board members are: Mary Gibbs, Sallie Woodbury, Dorothy Polk, Kathleen Harvey, Doris Livingston, and Martha Kirkpatrick.

THE local Allied Youth Post is part of a National Organization whose program seeks to provide wholesome social and recreational activities and an educational program emphasizing the results of the consumption of beverage alcohol. Business meeting are held bimonthly and dances and other social events are sponsored by the local posts throughout the year.

Probably the most gala affair sponsored by the local Post was the New Year's Eve Dance, visions of which still linger in the memory of many students. Hayrides, dances, and potluck dinners were just a few of the other activities which centered the attention of Allied Youth members.

Officers of the group are: June Moser, President; Harriet Sumner, Vice President; Leda Wade, Secretary; Marthea Roberts, Corresponding Secretary; and Dennis Simmons, Treasurer. Mrs. Fuller is adviser of the group.

. . . Band

THE 1941-42 Band has enjoyed a very successful year, its gaily uniformed presence being felt at the football games, of course, as well as at parades, school promotions, World-at-Our-Door lectures, pep meetings, and many patriotic programs.

The band accompanied our football team on three trips, and attended the regional contest at Kalamazoo in the spring, receiving a high rating. The trips to the state contest at Lansing and the Tulip Festival meet at Holland were cancelled this year due to the increasingly grave rubber shortage.

The season was culminated by two very successful spring concerts.

Much credit for the success of the band should, of course, go to Mr. Tammi, who has turned out championship bands for the past three years.

The Band officers are: Don Yarger, President; Eugene Wells, Vice President; Irma Bradley, Secretary; and Leslie VanWagner, Treasurer.

. . . String Trio

D. Polk, D. Rose, M. Adrianson

The newly organized string trio, composed of Dorothy Polk, violin, Dorothy Rose, piano, and Marilyn Adrianson, cello, was enjoyed by the school and community throughout the year. The girls entertained at assemblies, at the Band Follies, and played at numerous community functions, to the delight of all.

Orchestra—Chorus . . .

THIS year more than ever before there has been the need for good music to maintain national spirit and morale. Mr. Tammi has accomplished much toward supplying this need through his production of many fine orchestral and choral works. As of last year, the presentation of "On Our Way" was a success due to the efforts of these music groups. The Junior and Senior plays received the able assistance of the orchestra. The chorus with the orchestra provided a truly inspirational send-off to Lowell Thomas when they presented the patriotic contata, "I Hear America Singing."

Several of our B. C. H. S. members won honor and recognition for participation in the District and State High School Music Competitive Festivals.

Joining together, the three divisions of the music department—the Band, Orchestra, and Chorus—gave an excellent concert to close the school year.

. . . Band Follies

Dancing . . . The Rainbow Girls Chorus . . .
The Swing Band . . . in a Marine Motif.

ANCHORS AWEIGH—this was the theme as curtains parted on the annual Band Follies given February 17th and 18th. Although the dancing sailors aboard the United States Navy Battleship which centered the stage started out scrubbing decks, things turned out all right as one entertaining act after another was presented.

Don Cook did an excellent job as he made his debut as master of ceremonies and leader of the all-student swing band.

Blondie and Dagwood were back again, as were the Rainbow Girls, who posed this time in Red Cross Nurse uniforms, behind an American flag. There were vocal solos, a vocal trio, a string trio, and tap dancing, as well as comedy sketches, and, of course, numbers by the band.

Mr. Tammi and Miss Marsh were faculty directors. The stage settings were by Dick Sutton.

Debating . . .

STANDING: Mr. Postma, Coach; B. Blackmore, B. Williams. B. Crummel.
SITTING: C. Young, C. Bagnall, D. Einwalter.

BATTLE CREEK Central's Debate Team closed a very successful season late in January, being defeated only after reaching the finals in the district elimination tournament of the Michigan High School Forensic Association competition.

All debates in the Association competition this year were on the subject, "Resolved, that every able-bodied male citizen in the United States should be required to serve one year of full time military training before attaining the present draft age."

During the course of the season, the Central team defeated Flint Central, Jackson, and defeated Ann Arbor twice. Lansing Eastern was victorious over Battle Creek twice.

All three members of this year's team are graduating seniors. The team members are: Carlene Bagnall, Bob Crummel, and Bob Williams. Dick Einwalter, a promising sophomore, acted as alternate and participated in one debate during the illness of Bob Crummel. Mr. Postma has coached the team.

During this emergency the paper has tried to aid activities in the interest of national defense, by stressing the need for everyone's support in these activities, and attempting to arouse that support.

Through the course of the year, these student journalists have attended the annual press conferences at both Kalamazoo and Ann Arbor.

The editorial adviser is Miss Burke, while Mr. Verhoek is business adviser. The editorial staff heads are: Betty Bentley, editor-in-chief; Carleen Badger and Carlene Bagnall, associate editors; Eleanor Goodrich, feature editor; Bob Gibbs, sports editor; Arnold Brown, Jr., and David Crippen, associate sports editors; Leda Wade, vocational editor; and Enza Cooper, exchange editor.

THE purpose of the Player's Club is to develop poise and dramatic ability; to give all students who are interested in the theatre an opportunity to get together, exchange ideas, and have the experience of presenting one-act plays for community organizations.

This year the players have been busy with their part in the war effort, that of presenting plays for soldiers in the theatres at Fort Custer and at the new U. S. O. Building on West Michigan Avenue.

The activities of the club also run in the social vein. During the winter months, club parties were held at the Postum Club House; summer was responsible for many picnics which were a great deal of fun.

The officers of the group, Phyllis Reeves, President; John Halbert, Vice President; Bob Bagnall, Secretary; and Gertrude Sutherland, Treasurer, combined their efforts with those of their advisers, Miss Marsh and Miss Burke, to do their part in making the Player's Club a success.

THE Spanish Club tries to promote inter-American friendship by learning about the customs and living conditions in Spanish speaking countries. Some of the meetings are conducted in Spanish, and others are conducted in English, hence the requirement of one year of Spanish for membership.

The club held their annual Christmas party, not on Christmas, but on January 6th. This is the date on which gifts are exchanged in Spanish and in South American countries since, there, Christmas is entirely a religious holiday, quite apart from other festivities of the season.

The club joined with the Political Science Club to hear Miss Rebecca Barnhart of the Battle Creek Public Schools, speak on her recent visit to Argentina A Cuban girl has visited many of the club's meetings and contributed a great deal of interest to the discussions.

The officers of this year's club were: Bob Wellever, President; John Halbert, Vice President; and Janet Royal, Secretary. Mrs. Stevenson is the club's adviser.

THE Chemistry Club is an organization open to all students who are taking or have taken Chemistry and who are sufficiently interested to undergo the renouned ordeal of initiation. Members of the club do experimental work that they would be unable to carry on in class and the results of this research are oftentimes presented at meetings.

The club sponsored an Open House which was well attended and proved valuable to both guests and those participating in the demonstrations. An assembly exposing the wonders of liquid air was presented by members and Mr. Phares, the adviser. Although in former years it has been the custom of the club to journey to some nearby chemical concern, the event was cast aside this year in the interest of National Defense.

This year's officers were: Bruce Bogie, President; Curtis Main, Vice President; Anne Kendrick, Secretary; and Joyce Halbert, Treasurer.

Red Pencil Club . . .

FIRST ROW: M. Kirkpatrick, S. Phillips, A. Kendrick, C. Grant, J. Johnson, Mrs. Dykeman, adviser.

RED PENCIL Club is unique as far as clubs are concerned for it includes those interested in both literature and art work. In fact, anyone having creative ability is cordially invited to join. The method of admittance is quite novel. An entry is submitted to the club under a pen name, thereby eliminating all chance of favoritism in the final decision. When those believed to have merit are selected, the true name of the artist is revealed and he is invited to join the club.

During the meetings, members display their artistic or literary efforts and receive constructive criticism.

Mrs. Dykeman is the faculty adviser of the group.

Lieutenant Robert VanDeusen of the Army Air Corps spoke on the life of a pilot during the basic training period. Major Heumphner of Fort Custer, explained the various aspects of army life. AFTER opening the year with the initiation of new members, Central's Astronomy Club adopted a new proceedure. At the first business meeting the membership was organized into two groups. The first group was for those who wished to study the mathematical side or astronomy; the second was for those who were interested in general knowledge of the constellations, stars, and planets.

The telescope, which was given to the club last year by former members, was used for observations when the weather permitted. The club also subscribed to "Sky", a magazine pertaining to astronomy.

Biology students and others interested were guests of the club at a meeting in which Mr. Sumrill discussed "The Telescope".

"LE CERCLE FRANCAIS" is one of the most prominent organizations of its kind in school. In the many meetings, discussion periods, and social gatherings, the relationships between the French people and the citizens of the United States are thoroughly discussed, as are French customs, ideas, principles, and lives, in general.

In November, Monsieur de Chochor, who was then in the United States Intelligence Department, and who had been educated at the University of Paris, gave the members a "Student's Eye View" of school life in Paris and France. In December, a "Mock French Wedding" was held at Kellogg Hall. Conversation at all meetings was entirely in French, and a fine was levied for each English word spoken.

Miss Bernard is adviser of the club which is headed by these officers: President, LeRoi Elliot; Secretary, Donna Wilkening; Treasurer, Carlene Bagnall; Program Chairman, Phyllis Nicholson; Assistant Program Chairman, Terrence Howard; and Refreshment Chairman, Lorraine Lindley.

Mrs. Peck was very well liked and proved to be an excellent guidance teacher, giving many helpful pointers and ideas.

One of the outstanding events of the club was the talk on "Business Requirements" given by Mr. C. W. Bascom of the Argubright Business College. Another worthwhile meeting included the study and demonstration of parliamentary rules for conducting a business meeting. Mr. Price conducted this meeting.

The club was discontinued during the second semester because of lack of interest, but was very worthwhile during the time of its existence.

"WE must make friends with our neighbors to the south. The salvation of democracy depends upon it." In order to help bring about better feeling and to become better acquainted with the customs and culture of our Latin American neighbors, the Pan American Club was organized late last year. Members of the club correspond with people in Spanish-speaking countries. Many write in Spanish, and many have received letters in English.

These friendships cultivated now will help to make a much more neighborly feeling between the coming generation in both the United States and these other countries. Such unity is desired for the preservation of democracy.

Officers of the club are: Marietta Krey, President; Dorothy Rose, Secretary. Miss Vivienne Bey is club adviser.

The members took an active part in the Red Cross drive, and are making plans to help further in the war effort.

Much interest has been manifested at the regular weekly meetings where discussions and forums on current topics are held. Many social activities have been enjoyed during the year with the Girl Reserves.

A number of the members attended the Older Boys' Conferences in both the district and the state. At the National Conference in Florida this coming summer, this district will be represented.

We owe much to our faithful adviser, Mr. Milton Ellison.

THE Boys' Achievement Club is an organization whose aims are the promotion of leadership, and the cultivation of high ideals in boys at Central. For admission, a boy must have a 1.0 average in scholarship and have excelled in some extra-curricular activity, either in the scholastic or sporting field. By constitution, membership is limited to thirty-six boys each year.

This year, in the interest of National Conservation, the group has sponsored a "Drive-Less" Campaign, seeking to impress high school students with the need for conservation of civilian automobiles, and to help them to plan "group riding."

In addition, the group has acted as a participating member of Central's Defense Council in carrying out general plans.

The club, each year, awards the Danforth Institute Award, a book, to the boy voted by the group as having contributed most to the school.

FIRST ROW: C. Scanlan, B. Fisher, R. Lines, N. Hatch, B. Morley.

THE twenty-four members of the First Aid Club have banded together with an eye to the future, wanting to be useful citizens should an emergency arise. They reasoned that a thorough knowledge of first aid would always be of value, and would be of particular importance during wartime.

The members have been concentrating their efforts by devoting two hours in each of ten weeks to a Junior Red Cross course which merits a valued certificate upon completion.

Since so many more girls have become enthusiastic about first aid, the club ha almost doubled its membership since its introduction last year.

Miss Linck, club adviser, who entertained the club so nobly last year, pl ıs on a party for the group when the first aid course is completed.

Officers of the group are: Nancy Hatch, President; Beulah Fisher, Vice President; and Rebecca Lines, Secretary-Treasurer.

Among the other reviews have been "The Blind Man's House," by Hugh Walpole, Daphne du Maurier's "Frenchman's Creek," "Who Walk Alone," by Ludwig, "English Air," by Dorothy Stevenson, and T. R. Ybarra's "Young Man of Carcarus."

Nearly 175 people attended the formal dance given by the Club on Christmas Day. Everyone had a grand time amid the elaborate decorations which graced the walls of the "Y".

At Christmas an old fashioned box supper was given for the Hi-Y and Girl Reserves at Lakeview, and the Central Hi-Y Club.

The Inter-Club Council is supported by the various Girl Reserve Groups; it meets once a month to discuss problems affecting all the clubs.

Recognizing the need of funds for U. S. O., the girls gave a penny potluck to raise money for the cause.

Last semester's officers were: President, Nancy Metcalf; Vice President, Jane Jacoby; Secretary, Elaine Earl; and Treasurer, Mary Haggerstrom. This semester's officers were: Barbara Brattain, President; Jean Petty, Vice President; June Rabbit, Secretary; and Jane Jacoby, Treasurer.

THE Horizon Clubs of Central High School are a part of a new national organization sponsored by the National Campfire Girls. This year the members participated in the national "America's Children" program, learning much about the governmental agencies which give aid and care to handicapped children.

Another highlight of the Horizon year was the convention in Detroit. Horizon Girls from this district met to discuss youth's place in the world of today—and tomorrow.

In addition, of course, the club has had parties, cookouts, hikes, and many other activities known as "fun".

CROWDED is a word rightfully describing the Girls' Gymnasium at the girl-date-boy Fall Frolic on October 18th. This dance is an annual affair sponsored by the Daughters of Liberty. This year the couples danced to the music of Gene Nelson's Orchestra amid a patriotic color scheme of red, white and blue. The decorations consisted of separate walls dedicated to each of the three branches of service with figures of a sailor, a soldier, and a marine in the corners.

The chairmen for the committees were: Joyce Taylor, bandstand; Jeanne Greenawalt, ceiling; Jean Traut, the marine corner; Gwen Price, the sailor corner; Martha Kirkpatrick, the soldier corner; Eleanor Brewer, tickets; and Martha Kirkpatrick, programs.

Student Council Formal . . .

ARNE DeCAMP'S Orchestra furnished music for the second annual Student Council semi-formal dance, held December 6th, in the Girls' Gymnasium. A huge silver star suspended from the ceiling and tall blue candles lining the walls carried out the Christmas motif. The chaperone's nook was decorated to represent a home scene with a fireplace. A large blue Christmas tree was placed in one corner of the room.

Walter Edgerton and Carolyn Braund acted as co-chairmen of the event. Bob Pyatte was in charge of the orchestra committee; Doris Willis, tickets and programs; and Joyce Halbert, decorations.

Chaperones for the evening were Mr. and Mrs. Keith Chapman, Mr. and Mrs. Clifford Gettings, Mr. and Mrs. Will Anderson, and Mr. and Mrs. Omer LaJeunesse.

. . . J-Hop

GAY and colorful animal cut-outs were a novel feature of the J-Hop which was held on February 28th in the Girls' Gymnasium, featuring the music of Ted Caldron's Orchestra. Elephants, giraffes, lions, tigers, and clowns provided the circus theme for the dance, which was further carried out by lanterns suspended from the ceiling and the entrance, which was draped to represent a tent.

Those responsible for the unusual decorations were: Don Berry, Margaret Billings, Mary Hunsinger, Peggy Knode, Mary Haggerstrom, Elaine Bird, Jean Corliss, Ray Kellogg, Marilyn Link, Barbara Leach, June Lampert, Betty McLean, Carlton Coss, Barbara Berge, Lois Balser, June Moser, Elizabeth Dodge, Dawn Haver, and Charles Hoxworth. A FIESTA in true Latin-American style was the theme for the Senior Prom, which was held April 18th in the Girls' Gymnasium. Bud Bell's Orchestra played for dancing. In cooperation with the program of war conservation, decorations were restricted. However, the life-like cut-outs of Spanish senors and senoritas which lined the walls, together with strips of vari-colored crepe paper, produced a colorful effect in keeping with the mood of the dance.

Bob Gibbs was chairman of the ticket committee; Joe Wells, orchestra, and Jack Zonker, decorations. Bill Edwards, Dick Avery, Phyllis Reeves, Curtis Main, Janet Harriss, and Bettie O'Brien formed the reception committee.

Guests were Mr. and Mrs. E. J. Welsh, Mr. and Mrs. Eldon C. Geyer, Mr. and Mrs. Leo M. Shaw, and Mr. and Mrs. George G. Price. Mr. and Mrs. Donald P. Sumrill and Mr. and Mrs. Max Grant acted as chaperones.

BATTLE CREEK'S Bearcat gridiron squad suffered one of the most disastrous seasons in the history of the high school after completing the season with a record of one win against eight defeats. Under Coach Cliff Gettings' tutelage the squad of about 110 boys opened practice at Bailey Park early in September. With ten lettermen reporting, hopes were high for a good season.

Before 4,000 fans the Bearcats opened the season with Albion and were defeated by a 7-0 score. In the two following contests the gridmen reached their peak by defeating Marshall, 6-0, and losing to powerful Jackson by a 13-6 count only after outplaying the Vikings the entire game. After the latter contest the team was defeated by Muskegon Heights and three Five-A League foes, namely, Lansing Eastern, Lansing Central, and Ann Arbor.

On a dreary, rainy afternoon, Battle Creek met and was defeated by Bay City in a contest which was marked by three quick Bay City touchdowns to enable the up-staters to win, 18-6. In closing the season the Bearcats lost to the traditional Celery City rivals by a 26-0 score.

. . . Cross Country

SECOND ROW: C. McClish, J. McCarthy, B. Haddock, D. Swain, D. Vasbinder, N. Nichols.
FIRST ROW: M. Mead, G. Goodrich, D. Avery, M. Lybarger.

WITH no letterwinners returning from the previous season, the Bearcat Cross Country Team managed to win one of the six meets in which they participated. Battle Creek's lone victim was Charlotte, last year's Class B state champions, whom Central defeated, 28-29. The Bearcat harriers were defeated by Lansing Eastern, Lansing Central, Benton Harbor, and Kalamazoo. In the Five-A meet, Battle Creek was forced to the cellar position.

At the close of the campaign, Coach Gerald Graham awarded major letters to Swain, Haddock, Nichols, Harrington, McCarthy, Vastbinder, and McClish.

Prospects for next year's cross country team are rosy as all of the above letterwinners will return to competition next fall.

Minor awards were won by Lybarger, a junior, Avery, and Goodrich, the latter two being graduates this year.

THIRD ROW: H. Bayn, R. Eifler, W. McCreery, J. Dodge, R. Allwardt, A. Lockton, T. Kellogg, D. Brownell, R. Crow.

BATTLE CREEK Central's swimming squad again won the Five-A Cnampionship by winning all of their Five-A League dual meets this year. The B. C. Tankers opened their campaign by taking a dual meet from Grand Rapids Y. M. C. A. by a 61 to 23 score. Led by Captain Dave Crippen, Bob Allwardt, John Dodge, and Bill Bond, the Bearcat squad routed Kazoo, 46 to 26. Following the Kalamazoo meet, Battle Creek met and defeated South Bend, Ann Arbor, Jackson, Lansing Central, Grand Rapids Y. M. C. A., and Lansing Eastern in succession.

Absent from the swimming team because of mid-year graduation were Bob Allwardt, John Dodge, Jack Morse, and John Monoweck.

Taking up where they left off, the tank squad won successive return dual meets from their Five-A opponents, and Kalamazoo.

Coach Bob Mowerson's team then turned toward the regional and state swimming meets in which they won first and second place, respectively. In the state meet, Battle Creek was nosed out by two points as Jackson became state champions.

THIRD ROW: J. Dirkakis, D. King, J. Edgerton, L. Hartman, C. Fritz, R. Miller, D. Dyas, T. Anderson.
SECOND ROW: L. Titus, F. Ganet, B. Hamilton, M. Johnson, C. Shull, C. Lett, J. Sentenrich.
SITTING: C. McClish, C. Grodavent.

WITH the close of the football campaign, Bearcat athletes took to the hardwood court when Coach Gerry Graham issued the call for basketball workouts. Returning to the Bearcats were letterwinners Captain Max Johnson, Walt Edgerton, and Dick King.

Central opened the basketball campaign by soundly trouncing our intra-city rivals, the St. Phillip Tigers, by a large margin before an enthusiastic audience.

In the next two contests, Battle Creek broke even by losing to Ann Arbor and by trouncing Jackson, 33 to 28. The "Graham-men" then lost successive contests to Kalamazoo, Lansing Central, and Lansing Eastern. At this time Central lost the services of Dick King, Joe Smolka, and Walt Edgerton through graduation.

Resuming play, Battle Creek still couldn't get going and lost return games to Kalamazoo, Lansing Central, and Ann Arbor before beating Lansing Eastern, 33 to 30, at the capitol city. The Bearcats then rounded out the campaign with a win over Jackson before losing to Ann Arbor in the regional tournament, 30-17.

Track . . .

FOURTH ROW: Mr. Smith, Coach; D. Avery, J. Hampton, W. Shafer, C. Fritz, B. Wertz, T. Persing, D. Miller.
THIRD ROW: D. Knapp, R. Kuenhle, J. Haffenden, L. Hartman, C. Lett, A. Hobbs.
SECOND ROW: H. Clark, R. Christopher, C. McClish, B. Brown, N. Vista, J. Harris.
FIRST ROW: L. Nelson, D. Rabbitt, R. Tonelli, J. Dunsmore.

BATTLE CREEK Central's track season opened early in March as Coach Hal Smith issued a call for boys interested in participating in the Bearcat track program.

Boys returning from last year's track squad were Captain Lloyd Hartman, Bob Wertz, Bud Brown, Charles Lett, Bob Christopher, Charles Fritz, and Rudy Tonelli.

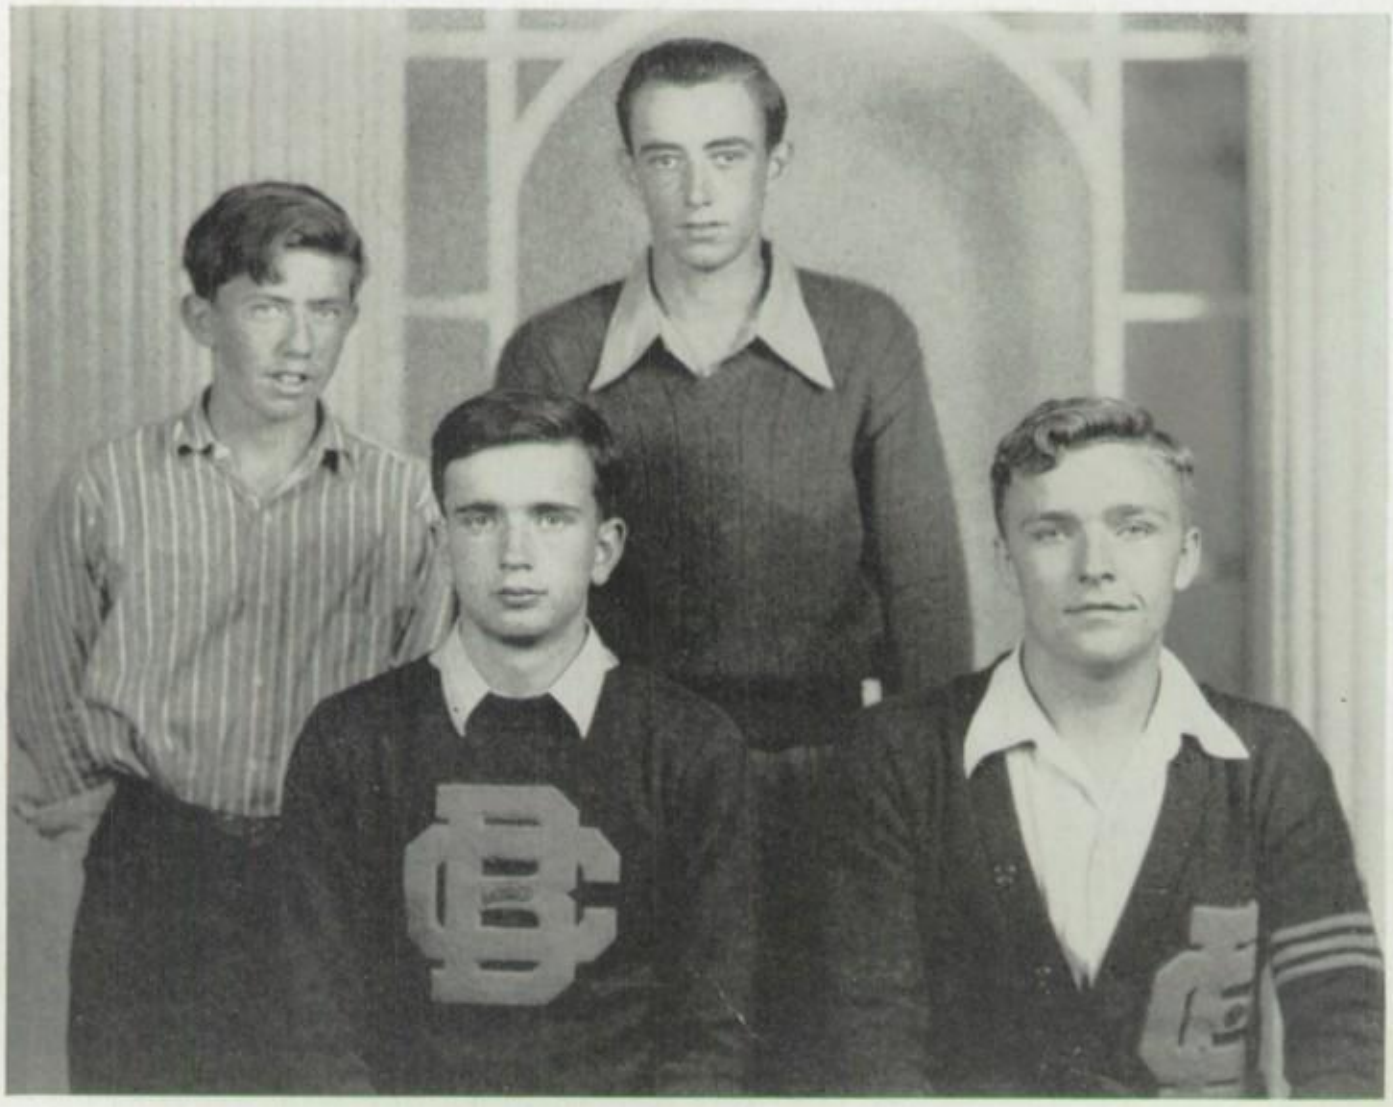
The Bearcats opened the competitive campaign by journeying to River Rouge to take part in the River Rouge Relays where Battle Creek earned fifth place in a field of twenty-five schools.

The following week Central beat Hastings, amassing 68 points.

Repeating their performance of the previous week, Battle Creek met and defeated both Lansing Central and Lansing Eastern in a triangular track meet. The feature of this meet was the quarter mile event, which was won by Bud Brown of Battle Creek, in the fast time of 53.4, which, incidentally, broke the existing school record and stamped Brown as the best quarter miler in the history of the school.

Battle Creek then participated in the Western Michigan Relays and as the yearbook goes to press the thinclads have definitely established themselves as contenders for the Five-A Track title.

. . . Golf



STANDING: B. Brininger, B. Schmidt.
SITTING: B. Hamilton, J. Trump.

REPORTING to Coach Gettings were one veteran from the squad which had won five and lost four last season and two boys with some experience in competitive golf. Captain Bob Hamilton, the only returning letterman, was assigned the number one spot, while Bob Brinniger and Jack Trump took over numbers two and three, respectively.

Austin Goodrich, George Koskey, and Bob Schmit battled for the remaining position, with Goodrich winning the right to participate in the first two matches.

The Bearcats opened the season with the Kalamazoo linksters and were beaten by a 345 to 380 count. Captain Hamilton contributed the day's best nine-hole score with a 39.

For the second match of the season the golfers traveled to Coldwater. Playing over the tricky Coldwater Country Club, the Bearcats' scores soared on the first nine, but the B. C. golfers recovered sufficiently on the last nine to win a 7-5 decision.

Since the season has yet to be completed as the Paean goes to press, it would appear that the Bearcats have a good chance of finishing high in the Five-A League standings.

Tennis . . .

THIRD ROW: F. Leighton, J. McCarty, D. Wiles, B. Stoothoff, J. Trump.
SECOND ROW: L. Boyd, L. Stoiminoff, J. Bailey.
FIRST ROW: G. Roche, C. Shull, D. Vastbinder, S. Macey.

THE Bearcat tennis team, which won the Five-A championship last year, reported to Coach Omer LaJeunesse studded with letter-winners of the previous year. "B. C." winners back for this season's competition were Captain Dick Wiles, John Bailey, city junior champion, Delbert Vastbinder, and Charles Shull.

With a record of eleven consecutive dual meet victories behind them, Battle Creek opened the season with Coldwater, whose team became number 12 on the Bearcat victory string as the netters emerged victorious by a 5-2 score.

The second meet of the year was perhaps the main event for the Bearcats as Kalamazoo's always strong courtmen invaded Bailey Park for a match which threatened the Battle Creek consecutive win streak. However, Coach LaJeunesse's team exploded with a brilliant brand of tennis as they routed the Celery City squad, 7-0. Bailey, No. 1 Bearcat, beat Stowe of Kalamazoo, while Captain Wiles of the Bearcats, trounced Milray, Kazoo veteran, in matches which were the highlight of the meet.

Battle Creek's netters then made it 14 in a row as they defeated Hastings by a 6-1 count. At the time when the Paean goes to press, it would seem, judging from previous meets, that the Bearcats should complete the season undefeated.

. . . Baseball

THIRD ROW: C. Coss, E. Wells, B. Pratt, G. Houghtalin, L. Newton, J. Seltenreich, F. Pierce.
SECOND ROW: A. Root, D. Harrison, M. Durock, B. O'Connell, E. Hollister, A. Chambers.
FIRST ROW: F. Garrett, O. Conine, A. Clark, L. Titus, K. Buelow.

WITH the coming of spring, Coach Graham issued the call for baseball candidates. Answering the call were Captain Clark and lettermen Bob O'Connell, Louie Newton, Frank Garrett, and Lloyd Titus. Pitching was the main problem for Coach Graham to solve, and in the early practice several outstanding candidates emerged. Among them were Bill Wells, Max Johnson, and Dave Houghtaling.

The Bearcats opened the season against the St. Phillip Tigers and soundly trounced the Tiger nine by an 8 to 0 score. Three Bearcat pitchers yielded but a single to the St. Phillip batters, but Battle Creek was able to garner only seven hits from Jim Atchely, Tiger hurler.

In the second contest of the season the Central nine was defeated by Kalamazoo by a 11 to 2 count. Jim Kelly, Maroon pitcher, limited Battle Creek to only five safe hits. In the following contest the Bearcats were beaten by Jackson, 7 to 4. As the Paean goes to press, the Bearcats have a record of one win and two defeats.

THE Girls' Athletic Association is under the supervision of Miss Seedorff and Miss Morse. This association was organized for all girls who are interested in sports and wish to develop their skill in the activities which they like best. The sports are divided into two divisions, majors and minors. The girls receive 100 points each semester for major sports and 50 points for minor sports. When a girl has 300 points it entitles her to a numeral award; 600 points entitles her to a B. C., and 900 points entitles her to a B. C. and chevron. This semester about twenty girls have completed the required points for one of these awards.

The main event of the club was the competitive game with Lakeview. The girls who had an average score of over 100 were asked to bowl. B. C. was victorious with over 300 pins above the Lakeview score. Many other girls also improved their skill and as interest and membership increases, it is probable that more competitive matches will be scheduled for next year.

The President, and by far the best bowler, was Lorraine Priest.
